

Pradman Engineering Services

- :: SALES
- :: SERVICE
- :: CONTRACT EXECUTION
- :: REVAMP & REBUILD

Pradman Profile

- Established in 1969
- Total Manpower – 85+
- Focus Industries
 - Steel, Structural Steel
 - Infrastructure – Steel Processing, Transmission Tower Manufacturing, Stringing
 - Railways – Maintenance Equipment, Electrification
- Sales Offices Across India
 - Mumbai (Head Office, Factory, Service, Project Management)
 - Pan India Sales Offices – New Delhi, Kolkata, Vizag, Nagpur, Bellary, Bhilai
- Service & Spare Parts Management
- Local Contract Execution & Project Management
- Manufacturing

Pradman Group of Companies

Pradman Engineering Services

- Sales & Service Organization
- Spare Parts Manufacturing & Warehousing
- Steel, Infrastructure and Railway Industry

BBM Heavy Machinery

- Manufacturing Workshop
- Welding, Machining and Assembly (40,000 sq. ft.)
- Complete Assemblies/Machines upto 120T

SSS Pradman Technologies

- Design & Supply of Rolling Mills
- Rod Mill, Bar Mill, Combination Mill, Section Mill
- Greenfield & Brownfield Projects

Lamef Pradman Surface Treatment

- Design & Supply of Shot Blasting Machines
- Painting Solutions
- Manual and Fully Automatic Solutions

Prism Fluids

- Lubrication Systems
- Hydraulic and Air-Oil Systems

Steel Industry

- **Atomat** (Italy)
 - **Automatic Valve** (France)
 - **Dorrenberg** (Germany)
 - **FP Paris** (Italy)
 - **Generica** (Germany)
 - **Gasparini** (Italy)
 - **Iljin** (Korea)
 - **INOX IHP** (Italy)
 - **LAP** (Germany)
 - **Lazzari** (Italy)
 - **OG Tech** (USA)
 - **Tecnomagnete** (Italy)
 - **UMECC** (USA)
 - **Wichmann** (Germany)
- Roll grinding & notching machines
Furnace Valves
Straightening & Forming Rolls
Rotary Seals, Sealing Solutions
Strapping Heads, Spares & Consumables
Roll Forming Machinery & Tooling
Carbide Rolls
Descaling Systems, Water Pumps
Profile Gauge (round, section, flat, pipe)
Billet, Rail Cutting Machines
On-Line Surface Inspection (round)
Electro Permanent Magnet Lifting Solutions
Steelmaking, Casting and Rolling Mill Spares
Cardan Shafts & Universal Spindles

Structural Steel Industry

- **Ficep** (Italy)
 - CNC Machine Tools for Structural Steel
 - Cutting, Drilling, Notching, Coping, Marking
 - Coping Robots
 - Automated Processing Lines
 - Complete Plant, Turnkey Solutions
 - Shot Blasting, Painting Machines
 - Partnership with Wheelabrator, Germany
- **Steel Projects** (France)
 - Factory Management Software
- **Corimpex** (Italy)
 - Fully Automatic Beam Welding & Straightening Lines
 - Fast Rotators, Welding Manipulators
- **Tecnomagnete** (Italy)
 - Electro Permanent Magnet Lifting & Handling
- **HGG** (Holland)
 - Pipe End Facing & Profiling
- **Yes Tools** (Korea)
 - High Speed Drills & Inserts

Power & Mobile Tower Manufacturing

- **Ficep** (Italy)
 - CNC Punching & Drilling Machines for Angles
 - CNC Plate Processing
 - Coping Robots
 - Complete Plant, Turnkey Solutions
- **Gimeco** (Italy)
 - Enclosed Galvanizing Lines for Angles & Pipes
 - Acid Regeneration Plants
- **Steel Projects** (Italy)
 - PLM Software
- **OMAC** (Italy)
 - Stringing Machines & Accessories
- **Hypertherm** (UK)
 - Welding Consumables and Tooling
- **Sanwa Tekki** (Japan)
 - Crimping Tools
- **Yes Tools** (Korea)
 - High Speed Drills & Inserts

Railways

- **OMAC** (Italy) Railway Electrification – Catenary Machines
- **Lazzari** (Italy) High Speed Saws

Service Division

- **Service Agreements**

- Ficep, Zeck, Steel Projects, Atomat, HGG
- Global Installation & Commissioning 100%
- responsibility for Indian projects

- **Customer Support Services**

- Installation & Commissioning Services
- Supporting Breakdowns and Scheduled Plant Shutdowns
- Maintenance and Operation Support Contracts, Annual Maintenance Contracts
- Training & Consultancy

- **Spare Parts**

- Warehouse & Distribution capability for stocking and resale
- Complete supply chain for local sale of spare parts

Service-Installation, Commissioning

Contract Manufacturing Department

- **Complete Assemblies & Equipment**
 - Fabrication, Assembly & Testing of equipment for rolling mills, casters, furnace area, up to 20 tones single piece
 - Housings, Frames, Structures
 - Housing Modules, Chocks
- **Spare Parts**
 - Guides, Inserts, Guide Boxes, Guide Rolls
 - Cooling System and Waterbox Parts
 - Liners, Wear Plates, Shear Blades
 - Punches & Dies

Manufacturing Facilities

- Area – 10,000 sq. ft.
- CNC Machining Center for spare parts
- 15 Ton Crane Capacity
- Inspection Surface Plate
 - 1500mm x 1200mm
- Tools & Instrumentation
- Connected Power – 60 HP

Manufacturing Facilities

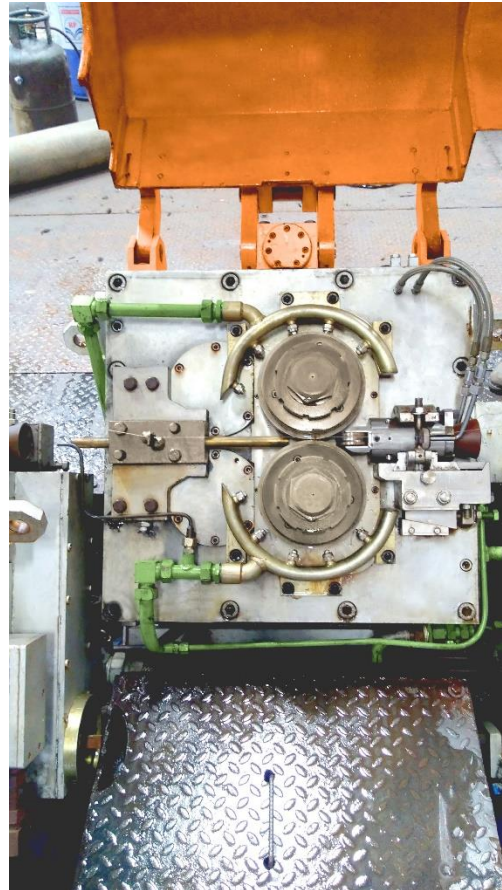

Equipment and Assemblies: Mill Stands

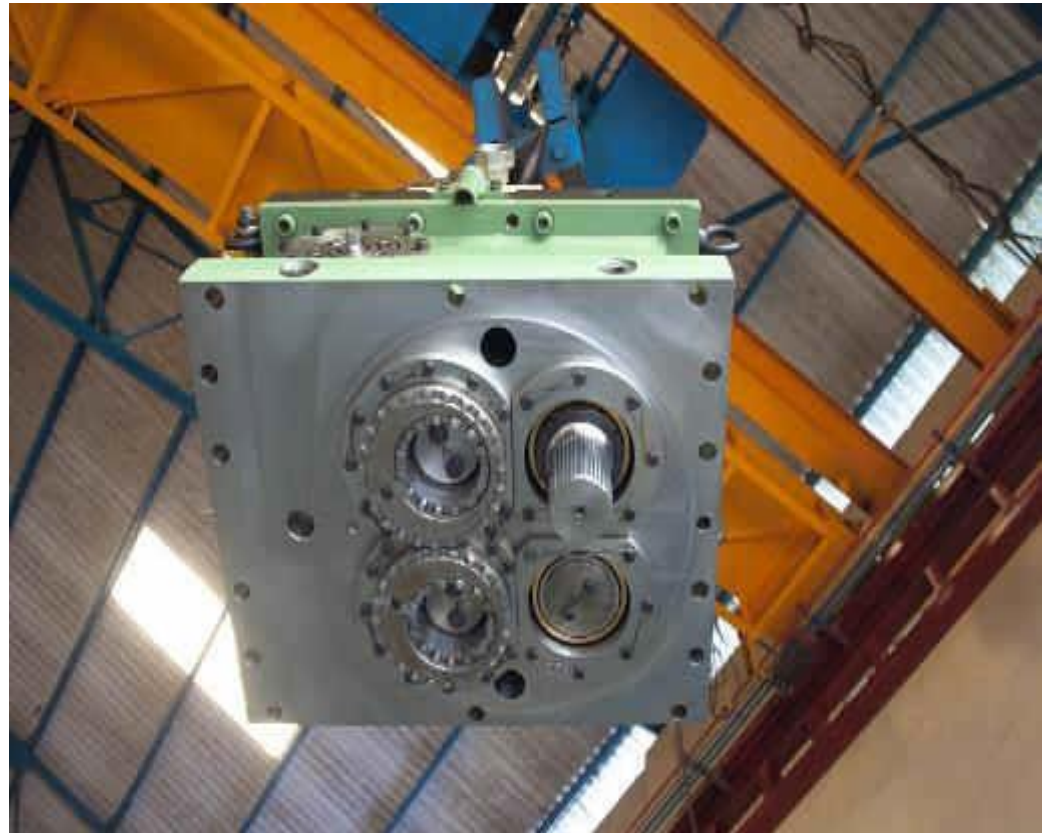

Equipment and Assemblies: Shears

Wire Rod Blocks, Bevel Gears

Compact Stands for Wire Rod Mill

Uncoiler Gearbox Bronx, USA

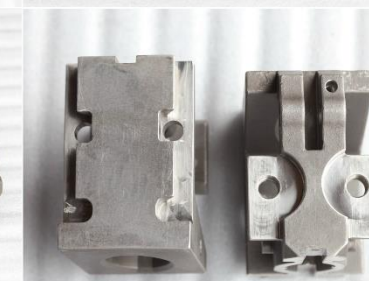

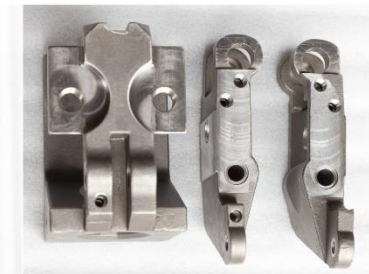

Fabrication - Qasco, Dubai

Fabrication – Hardening Furnace at Viraj Steel

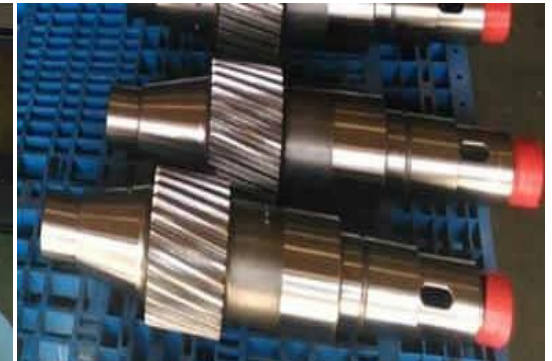

Rolling Mill Spares – Guides, Restbars

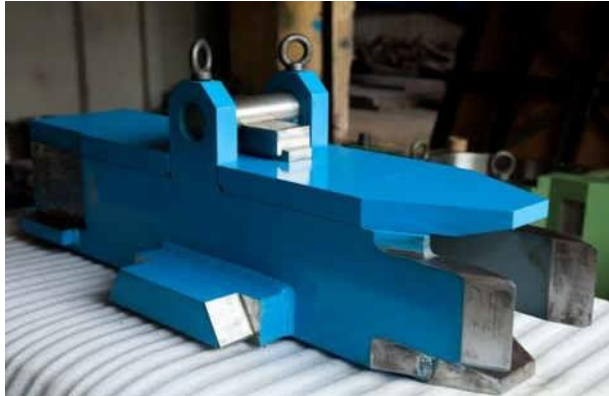

Rolling Mill Spares – Cooling Nozzles

Rolling Mill Spares – NTM Parts

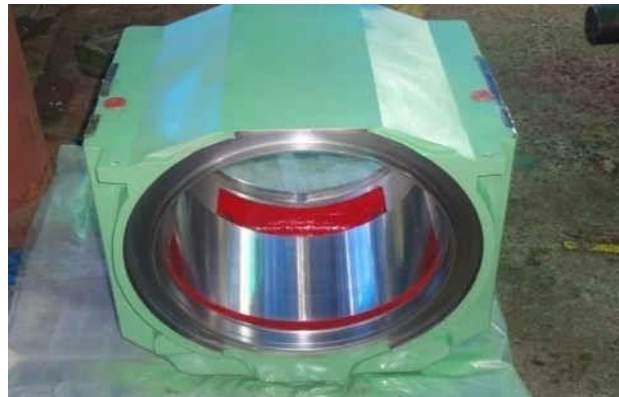

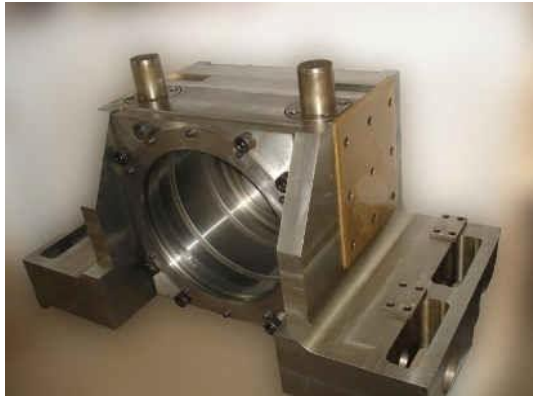

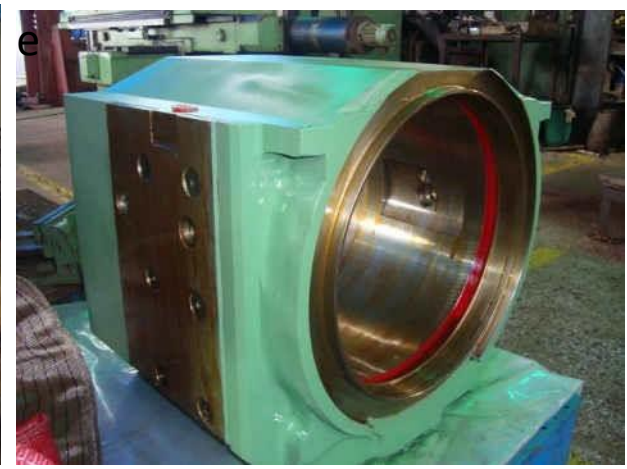

Rolling Mill Spares – Consumables

Rolling Mill Spares – Built To Drawings

Rolling Mill Spares – Mill Chocks

Rolling Mill Spares Product Development

Additional Parts & Equipment

- Bar Mill Stands, Loopers, Waterboxes
- Guides, Guide Parts & Consumables for Flat & Long Product Mills
- Lubrication Systems – Morgoil, NTM systems
- Mill Chocks for Roller Bearings & Oil Film Bearings
- Liners, Wear Plates
- Mechanical & Hydraulic Press Spares
- Hammer Spares – Tup, Rams
- Drum Stands
- Punches & Dies for CNC Machines

Revamp & Refurbishment Services

- Mechanical Revamping
- Electrical and Automation Revamps, Upgrades & Solutions
- Spare Parts, Parts Development
- Relocation of Plant
- Installation & Commissioning Support
- Operational Support & Training
- On Site as well as in house at Pradman facilities

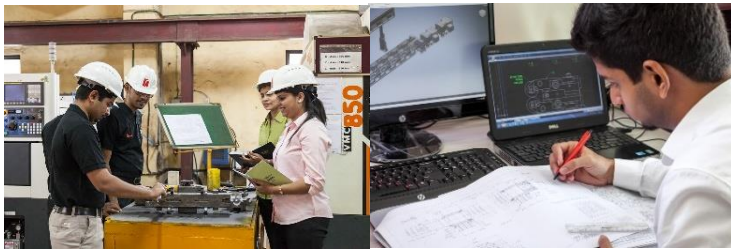

Long Rolling Mill Equipment: Rod & Bar Mill Stands

Long Rolling Mill Equipment: 610mm and 850mm Shears

People & Facilities

People & Facilities

Why Pradman?

- 50 Years Experience. Established in 1969
- International Working Culture
- Pan India Sales & Distributor Network
- Strong Supply Chain Culture
 - Quality – Global Standards, Supply Chain partner for several OEMs
 - Delivery & Reliability – Committed to Success
 - Partnership – Parts development
- Service
 - Installation, Commissioning
 - Operation & Maintenance Support
 - Spare Parts Warehousing & Distribution
- Trusted Partner
